Webcasting of MPhA Professional Development Programs at sbrc.tv

The MPhA Professional Development (PD) Committee is pleased to introduce webcasting of MPhA PD programs through services provided by the St. Boniface Research Centre at sbrc.tv. In addition to offering programs through videoconferencing, MPhA PD programs will also be made available to pharmacists through webcasting. For programs held beginning this September, pharmacists will be able to view a stored recording of the program at any time at sbrc.tv.

To get started:

Go to sbrc.tv and click on “Join” to register at the site. You will be asked to create a Username and a Password. After your initial registration, you will need to Login each time you participate in a live webcast. You are not required to Login to view a previously recorded program.

To participate in a live webcast:

Login at sbrc.tv using the username and password you created. Click on “Calendar” and go to the program date. Click on the folder marked “MPhA” and enter the case-sensitive password “MPhA”. It is best to connect to a live webcast at least 5 minutes before it is scheduled to begin.

During the webcast, you have the opportunity to communicate to other participants and the speaker by sending comments “privately” or “publicly”. To direct questions to the speaker, begin your comment with the word, “Question” and send it publicly. Speakers will view and respond to questions at the end of the presentation.

CEU certificates will be sent to all pharmacists participating in the live webcast within the week following a program.

To view a previously recorded program:

Go to sbrc.tv and click on “PublishedEvents”. Click on the folder marked “MPhA” and

enter the case-sensitive password “MPhA”. Only programs held since September of this year are available at sbrc.tv. All other previously recorded MPhA PD programs are available on DVD and may be borrowed by contacting the MPhA office.

To receive a CEU certificate after you have participated in the program, contact Kathy Cobb by email at kcobb@mpha.mb.ca.

To obtain a program handout:
